# CHASE

family church

APRIL  
2017

A warm welcome is extended to anyone new to this Church.  
We do hope you enjoy your visit and would be delighted if you could join us for tea or coffee at the end of this meeting so we can meet you.

...together around Jesus

### Editorial

The first eggs given at Easter were birds' eggs. These eggs were painted in bright colours to give them further meaning as a gift. We still paint bird eggs today but usually only chicken eggs. What's your favourite egg? How about the creme egg! Umm, all very nice, but what are eggs all about at Easter? Well, I was encouraged to find that one of the first google answers said "For Christians the custom of giving eggs at Easter celebrates new life. Christians remember that Jesus, after dying on the cross, rose from the dead. They believe that, through his resurrection, Jesus defeated death and sin and offers people the promise of eternal life if they follow his teachings" **Wow, they got it right**, that is exactly what we believe. Let's have a wonderful Easter and tell others the good news.

## Thank You

**Enid** would like to say **thank you** for the prayers, support and lifts given to her during the time her brother Geof was ill. Geof passed away peacefully at the beginning of March.

## Can you help?

Imagine how you would feel if your loved one lived in a care home and there was no Christian input! Praise God this is not the case at **Nairn House** because a small team from your church go along on a Sunday afternoon for an hour every seven weeks or so to share Jesus and show them His love. Please prayerfully consider joining with this ministry which for relatively small commitment means so very much to the residents whose time is short. If you can just attend occasionally you may be the one person that helps us avoid having to cancel due to insufficient and diminishing numbers. Feel free to speak to me for info. Pam Lucas
